

The NEW  
**PORTÉGÉ Z30 Series**

THIN. LIGHT. SMART.  
A LEGEND, NOW COOLER  
THAN EVER.

Improved from our legendary, award-winning Portégé Z930, the successive Portégé Z30-C now boasts stunning specifications that include a SmartCard Reader<sup>^</sup> and complete connectivity ports, housed within a svelte magnesium chassis that weighs a mere 1.2kg. Plus, lasting 15-hour battery life\* combined with Airflow II Cooling Technology sustains your performance longer, and cooler.

## FEATURES

### True Business Mobile Notebook with Complete Connectivity

The 13.3" Portégé Z30/Z30t series delivers truly complete connectivity with ports ranging from USB 3.0, HDMI, RGB, Gigabit LAN, SD Card to even a Kensington Lock. Newly designed with an ergonomic, backlit Accupoint keyboard, this lightweight performer offers all that and more at just 1.2kg.

### Proven Durability with Toshiba EasyGuard™ Technology

The sleek magnesium chassis reinforced with Honeycomb Structure technology offers sturdiness with style, while Toshiba EasyGuard™ technology gives you added peace of mind when it comes to bumps, spills or drops on the road.

### Evolution from a Legendary Product- Now Cooler

Newly enhanced from the ultra thin and light Portégé Z930, the Portégé Z30/Z30t series now comes powered with functionality better than ever before. Plus, the all-new Air Flow II Cooling Technology significantly reduces the heat from your Notebook PC and offers silent functionality for longer, quieter comfort at work.

\*Battery life rating based on Windows 10 Pro (measured by MobileMark Office Productivity 2014).  
<sup>^</sup>Depends on configuration
