

## Toshiba Canvio® Desk Hard Drive

Backup your entire computer including your operating system, programs and settings at blazing fast speeds and with the new Toshiba Canvio® Desk Hard Drives. Boot and restore your entire system in the case of a computer crash.

Available in 2TB<sup>1</sup> and 3TB<sup>1</sup> capacities, the Canvio® Desk is designed to be versatile on your desktop – it supports both horizontal and vertical orientation to fit your space whether in your home or office. Its fan-less design makes drive operation whisper quiet while efficiently keeping the drive cool.

For over 44 years Toshiba has been developing and manufacturing hard drives. Today our drives are used by every major brand of notebook computer and many multimedia devices. For more information, please visit <http://pc.toshiba-asia.com>

### Features:

- Fan-less design keeps operation whisper quiet while keeping the drive cool
- Versatile orientation to fit your space in your home or office
- Backup and restore your entire computer system including operating system, programs and settings
- Or customise the backup to selected folders and files
- Choose between backing up your files to the cloud or your Canvio® hard drive
- Secure your backups with a password (up to 256bit data encryption)
- Drive Space Alert warns you when running low on backup capacity
- Automatic back up scheduling (hour, daily, weekly, etc)
- Transfer huge files at blazing fast speeds<sup>2</sup> with SuperSpeed USB3.0 (backwards compatible with USB2.0)
- Three year limited local warranty

**Included software:** The included NTI® Backup Now EZ™ software scans your system and recommends the best coverage for your computer. Choose between backing up your files and folders, backing up everything saved on your computer, or choose both for the most comprehensive coverage.

# CANVIO®

## Detailed Specifications:

<b>Interface</b>	USB3.0
<b>Speed</b>	5,700 rpm
<b>Average Seek Time</b>	14ms
<b>Formatting</b>	NTFS
<b>Cache Buffer</b>	32MB
<b>Environmental</b>	RoHS Compliant This product is compatible with European Union Directive 2002/95/EC, Restriction of the use of certain hazardous substances in electrical and electronic equipment (RoHS), which restricts use of lead, cadmium, mercury, hexavalent chromium, PBB, and PBDE.

## Part Set-up information

Product name:	Toshiba Canvio® Desk 2TB	Toshiba Canvio® Desk 3TB
<b>Part Number:</b>	Black/black: HDWC120AK3J1 Black/white: HDWC120AW3J1	Black/black: HDWC130AK3J1 Black/white: HDWC130AW3J1
<b>Warranty:</b>	Three (3) Year Limited Local Warranty	
<b>Available Date:</b>	Sept 2012	
<b>Country of origin:</b>	Assembled in China with drives manufactured in China	
<b>Package Contents:</b>	Toshiba Canvio Desk Hard Drive, USB3.0 cable, AC Power adaptor, Quick Start Guide, NTI® Backup Now EZ software preloaded on drive, 3 year limited warranty leaflet preloaded on drive	
<b>Compatibility:</b>	Formatted NTFS for Windows® XP, Vista or 7. Requires reformatting for Mac OS® X Tiger®, Leopard® or Snow Leopard® Available USB3.0 or 2.0 port	
<b>UPC</b>	Black/black: 022265139020 Black/white: 022265193037	Black/black: 022265193044 Black/white: 022265193051
<b>Product Dimensions:</b>	129 x 42 x 167mm	
<b>Product weight:</b>	1,000g	
<b>Package dimensions:</b>	276 x 111 x 210mm	
<b>Package weight:</b>	1,450g	
<b>Packaging Material:</b>	Corrugated paper retail box	
<b>Master carton quantity:</b>	4	
<b>Master carton dimensions:</b>	463 x 290 x 247mm	
<b>Master carton weight:</b>	6,300g	
<b>Pallet/Quantity</b>	128pcs per pallet	
<b>Replacement For:</b>	NA	

<sup>1</sup> One Gigabyte (1GB) means  $10^9 = 1,000,000,000$  bytes and One Terabyte (1TB) means  $10^{12} = 1,000,000,000,000$  bytes using powers of 10. A computer operating system, however, reports storage capacity using powers of 2 for the definition of  $1\text{GB} = 2^{30} = 1,073,741,824$  bytes and  $1\text{TB} = 2^{40} = 1,099,511,627,776$  bytes, and therefore shows less storage capacity. Available storage capacity (including examples of various media files) will vary based on file size, formatting, settings, software and operating system and other factors.

<sup>2</sup> Actual transfer rate will vary depending on your system configuration and other factors.
